Request for Information

Send application to:

Guild of Professional Farriers
2020 Pennsylvania Ave. NW #800
Washington, DC
20006

**Notes about the
RMF™ designation:**

Horseowners should be aware that the first Guild RMF credentials were issued after 9/1/98.

If you have encountered other “Master Farriers” prior to that date, they are not ours. There are many horseshoers who may call themselves “masters” in America, but very few entitled to use the RMF title.

Any farrier’s Registration status can be verified by contacting the Guild.

Farriers should note that there is no form of grandfather program for becoming a RMF. All farriers wishing to attain RMF status will go through the same process, regardless of prior certifications.
